

Thank you for your interest in providing services to NOCD members! The following list includes the minimum requirements necessary to complete the credentials verification process through NOCD and to participate under NOCD's existing group agreements with select health plans (enrollment is subject to individual health plan approval.) Additional information may be required based on specific health plan and/or state requirements.

1. Driver's license or ID.
2. Signed Authorization form required for credentials verification (emailed by NOCD once hired.)
3. Current and unencumbered professional state licensure that allows for independent practice.
4. Absence of sanctions from any federal and/or state organization.
5. **(Contract providers only)** Current malpractice insurance with minimum coverage limits of 1M/3M.
6. Current resume/CV including education information and at least 5 years of most recent work history.
7. Current registration with NPPES and a valid NPI number with current information.
8. Current profile with the Council for Affordable Quality Healthcare (CAQH) ProView system.

If you do not current have a profile with CAQH, you can set one up, free of charge, using the following link. <https://proview.caqh.org/PR/Registration>

(Once you have been offered a position with NOCD, our Credentialing Team will assist you in updating your CAQH profile to reflect your association with NOCD.)
